Technical data

Measurements	
Length	3300 mm
Width	2450 mm
Height	1800 mm
Weight	5,8 Tons
installed Power	3,0 kW
Licker working speed	500-600 r/min
Cylinder working speed	180-210 r/min
Doffer working speed	10-12 r/min
Chopper Frequency	1200/min
Output	5-10 kg / H
